Envision is the Community Centered Board (CCB) serving Weld County, supporting anyone with an intellectual or developmental disability, regardless of age. Envision is a non-profit Person-Centered Organization (PCO) whose mission is to empower people to live, love, work, and play THEIR way. Every year, Envision provides case management and a diverse set of person-centered services that support more than 2,200 children and adults with intellectual and developmental disabilities or delays and their families in Weld County.
